

Introduction to Digital Forensics

Outline

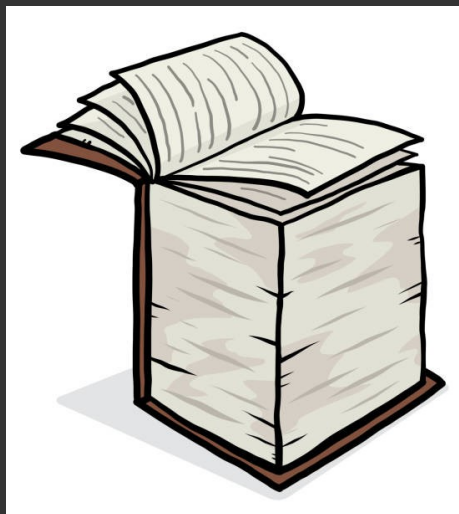

- I - Overview
- II - Log Analysis
- III - Storage Device Analysis
- IV - Program and RAM Analysis
- V - Conclusion

Overview

Log Analysis

```
Oct 14 18:09:27 GS1920 system: Save system configuration successfully
Oct 14 18:09:27 GS1920 authentication: User it-connect login
Oct 14 18:09:27 GS1920 authentication: User admin login
Oct 14 18:10:58 GS1920 authentication: User admin logout
Oct 14 18:11:03 GS1920 authentication: User admin logout
Oct 14 18:11:08 GS1920 authentication: User admin logout
Oct 14 18:11:26 GS1920 authentication: User admin logout
Oct 14 18:14:52 GS1920 authentication: User it-connect login
Oct 14 18:21:35 GS1920 authentication: User admin login
Oct 14 18:22:13 GS1920 authentication: User it-connect login
